Instruction:

Please use the Ticket Pickup Number and your passports to collect the paper tickets at Railway Stations.

Once you are at the station, please find a ticket window, show the staff this paper and your passport(s) to collect the paper tickets. After getting the tickets, you could enter the waiting room, and finally board the train.

To ensure a smooth trip, you may pick up the ticket anytime after it is issued. If you have to collect it on the day of departure before boarding, you'd better get to the station at least 1.5 hours prior to scheduled departure time. And even earlier during Chinese public holidays, weekends, Spring Festival or summer vacation.

Please feel free to contact us if you meet any problem at the station.
